

December 18, 2025

Dear Valued Patients,

At Advanced Eye Care & Aesthetics, your vision care remains our top priority. We are writing to share an important update regarding our provider team.

Beginning in February, Dr. Sophia Johnson will be reducing her clinic schedule through June 12, 2026, after which she will be leaving our practice to further her education and clinical expertise at a teaching institution. We are grateful for the care she has provided to our patients and wish her every success in this next chapter of her career.

Dr. Belinda Ikpoh and Dr. Daniel Stoltze will continue their regular clinic schedules, ensuring the same high-quality care, exceptional service, and clinical excellence you expect from our practice. When possible, we will transition appointments to their schedules without changing your appointment time. If a time adjustment is needed, our team will reach out to help reschedule at your convenience.

Thank you for your continued trust and confidence in Advanced Eye Care & Aesthetics. If you have any questions, please don't hesitate to contact our office at 410-569-7173.

Sincerely,

The Advanced Eye Care & Aesthetics Team
